4. Inspection of Site and Contract Documents

For the purpose of inspection of site and relevant documents, the contractor is required to contact SDE (E)/ E.E (Elect) concerned who shall give reasonable facilities for Inspection of the same. The contractor shall inspect and examine the site and its surroundings and shall satisfy himself before commencement of work as to the form and nature of the site, the quantities and nature of work, materials necessary for completion of the works, the means of access to the site, the accommodation he may require and in general shall himself obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect his work. No extra charges consequent on any misunderstanding or otherwise shall be allowed.

5. Variation in quantities in respect of unit rates items will be governed by unit rates in the Agreement. This applies to all variations ordered during the currency of the main contract regardless of the quantity of variation. For any item of work not covered by the schedule of work, Clause 12 of PWD-8 shall apply.

6. I.S. Standards:

The entire system shall conform to relevant Bureau of Indian Standards as amended up to date. Where IS standards are not available the British standard(s) shall be followed. In case of conflict, the requirements of these specifications shall be given over-riding priority. The electrical and earthing work shall be carried out as per CPWD specifications for electrical works (internal) and electrical works (external) as amended up to date.

7. Modifications/Alterations

- 7.1 Modifications or alterations in the design / specifications of any equipment / material will not be permitted by the department as a matter of principle.

7.2 However, the department may relax the above stipulation in exceptional circumstance where:

- a. The same is necessitated due to non-availability of material/component of certain specifications or make.

OR

- b. Such alterations constitute an improvement in the opinion of the contractor.

7.3 Prior written approval of the department shall be obtained before execution of such alterations/modifications.

8. Quality Assurance

The EI works are to be executed in accordance to the CPWD specifications. The work is considered to be completed only after the successful completion of testing.

9. Earnest Money

9.1 Value

The amount of earnest money to be deposited with each tender is **2% of the estimated cost** put to the tender *subject to a maximum of Rs. 2 crores*. Earnest money will be acceptable in the form of CDR/FDR/DD/BG.

9.2 Validity Period

The validity period of the Earnest Money Deposit is kept 30 days beyond the tender validity e.g. 90 + 30 = 120 days, since the tender validity period is 90 days.

9.3 Extension of Validity

In case, where the letter of award of work cannot be placed within the validity period of the tender, the BSNL can request all tenderers to extend the validity of their respective tenders and the Earnest Money deposit by a reasonable period. In such cases, extension of validity of Earnest Money deposit by 30 days beyond the extended validity date of tender should also be

asked for. While BSNL can make the request for extension, the tenderer is free to either extend the validity or refuse the request to extend the Validity.

9.4 Release of Earnest Money deposit

Earnest Money deposit of all unsuccessful tenderers should be released on issue of award letter to the successful tenderer.

Where the BSNL requests the tenderer to extend the validity of the tender beyond the stipulated period given in the tender documents, and the tenderer refuses to extend the validity of his tender, the Earnest Money deposit of such tenderers is returned forthwith.

10. Security Deposit

In addition to performance guarantee stated above, a sum @ 10% of the gross amount of the bill shall be deducted from each running bill of the contractor till the sum along with the sum already deposited as earnest money, will amount to security deposit of 5% of the tendered value of the work.

11. Increase / Decrease of tendered quantity

BSNL will have the right to increase / decrease up to 25% of the quantity of goods and services specified in the schedule of items without any change in the unit price or other terms and conditions at the time of award of contract. In exceptional and un-avoidable cases BSNL can increase the quantity of goods and services beyond 25% of the tendered quantity with out any change in tendered and accepted unit price and also other terms and conditions as applicable at the time of award of contract.

12. Period of Completion of Work

12.1 The time will be reckoned from the 10th day after the date on which the order to commence the work issued to the contractor.

12.2 The time of completion shall be as indicated in the NIT.

13. Extension of time

If the contractor shall desire an extension of time for completion of work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Engineer – in –charge within 30 days of the hindrance on the account on which he desires such extension as aforesaid, and the Engineer – in – charge shall, if in his opinion reasonable grounds to be shown therefore, authorize such provisional extension of time, if any, as in his opinion be necessary or proper.

14. Compensation for delay

If the contractor fails to maintain the required progress or complete the work and clear the site on or before the contract or extended date of completion, he has to pay the compensation for delay which is limited to 0.5% per week of work order value for the first 10 weeks and 0.7 %

per week for next 10 weeks and thereafter subject to a maximum of 12% of the work order value for the location where the work is delayed and the firm is found responsible for the same. Flow chart of the procurement process / contract shall be supplied by the contractor and approved by Executive Engineer concerned.

15. TERMS OF PAYMENT: As per BSNL EW6 & EW8

No payment will be made for goods rejected at the site on testing. Payment, if made for such items shall be recovered from subsequent bills or other bills.

16. Determination of the Contract

The Engineer-in-Charge may determine the contract in respect of any delay, interior workmanship as per clause 3 of PWD – 8 contract conditions.

17. The Department reserves the right to accept the quantities in full or in parts.

18.1 Tendered rates inclusive of taxes and levies payable under the respective statutes. However, pursuant to the Constitution (Forty Six Amendment) Act 1982, if any further tax or levy is imposed by the Statute after the date of receipt of tenders and the contractor thereupon necessarily and properly pays taxes or levies, the contractor(s) shall be reimbursed the amount so paid provided such payment if any is not in the opinion of EE (whose decision shall be final and binding) attributable to delay in execution of work within the control of the contractor(s).

18.2 The contractor(s) shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of Government and shall furnish such other information/documents as the Engineer-in-charge may require.

18.3 The contractor(s) shall within a period of 30 days of imposition of any further tax or levy pursuant to the Constitution (Forty Six Amendment) Act 1982 give a written notice thereof to the Engineer-in-charge that the same is given pursuant to this condition together with all necessary information relating thereto.

NOTE: No additional condition whatsoever will be accepted for Turnover Tax/VAT/Sales Tax on Works Contract & service tax. In case of additional conditions for the payment of such claims by the contractor, the tender may be liable to be summarily rejected by the accepting authority.

19. Tax and Duties
